

Foundations of Coalition Building: Research Questions

Overview of your city:

How does your city or community typically vote?

What is the breakdown of vote by demographics?

How long has it been this way?

How does your representative typically vote? Are there any exceptions?

Events in your city:

Which groups of people have met on this issue?

Where have they met?

How frequently do they meet?

Is there an upcoming forum, city council meeting, or event that you could attend?

Knowledge of the issue:

What do you need more information on?

What are the variables surrounding your issue?

Who in the city has worked extensively on this issue in the past? Are they accessible to talk to?
